### ● **AUDITORIUM**

The College has an auditorium room spread in the vast area of 441 sq. mts., with all facilities, convenience and excellence converge seamlessly here, where innovation meets excellence. Our state-of-the-art facility is equipped with a myriad of amenities to enhance Our Pupil-teachers' academic and cultural experiences. Whether Our Pupil teachers attend lectures, seminars, or captivating performances, our auditorium is designed to cater to all their needs. From cutting-edge audio-visual technology to comfortable seating arrangements, we strive to provide an environment that fosters learning and creativity and we've crafted a space that caters to diverse events.

### ● **SEMINAR ROOM**

At our college, we take pride in our state-of-the-art seminar room, a hub of knowledge and collaboration. This well-equipped space is designed to facilitate interactive learning and meaningful discussions. It's where ideas come to life and where the next generation of Teachers and innovators are nurtured."

### ● **CURRICULUM LABORATORY**

The Curriculum Laboratory stands as the cornerstone of academic excellence, serving as a comprehensive learning resource center for our prospective teachers and aspiring educators, meticulously designed and thoroughly equipped to meet their academic needs.

Within our college, students have access to specialized laboratories dedicated to Science, Mathematics, Social Sciences, and Language studies. These distinct spaces provide hands-on

experiences, immersive approach to learning, fostering a deeper understanding of each subject, allowing future educators to delve into the intricacies of their respective subjects.

The Science laboratory facilitates exploration and experimentation, the Mathematics laboratory fosters analytical thinking, and the Social Sciences laboratory encourages a deeper understanding of societal dynamics and the Language laboratory refines linguistic skills.

Together, these laboratories form an integral part of our commitment to nurturing well-rounded, skilled educators, ready to inspire and educate the next generation. Our laboratories create a holistic environment where prospective teachers can engage, explore, and develop the skills essential for effective education.

### ● **PSYCHOLOGY LABORATORY**

The Psychology Lab is not merely a space for experiments; it's a dynamic environment that encourages critical thinking, empirical investigation, and a deep understanding of psychological principles. It is a place where curiosity meets discovery.

Our college's Psychology Laboratory is equipped with a diverse range of relevant tests and cutting-edge apparatus and tools essential for understanding the intricacies of human behavior and cognition. From standardized psychological assessments to advanced apparatus that facilitate hands-on learning, students have the opportunity to engage in practical experiments and research. The Psychology Laboratory at our college serves as a hub for intellectual curiosity and academic growth, providing a space where theoretical knowledge seamlessly integrates with practical application.

### ● **ART AND CRAFT RESOURCE CENTRE**

At our college, we recognize the intrinsic value of artistic expression in education. Our Art and Craft Resource Centre is a vibrant space dedicated to nurturing creativity among pupil teachers. Encouraging active participation in art and craft, this resource center provides an aesthetically pleasing environment where students can explore their artistic talents. Our College believes that engagement in such creative endeavors not only enhances individual expression but also fosters critical thinking and problem-solving skills. Our College's Art and Craft Resource Centre is a testament to our commitment to holistic education, providing a platform for students to delve into the world of aesthetics and hands-on artistic exploration.

- **HEALTH AND PHYSICAL EDUCATION (INCLUDING YOGA)  
RESOURCE CENTRE**

Ensuring the overall health and holistic well-being of our pupil teachers is a top priority at our College. To promote both physical and mental health, our College proudly offers a well-equipped Health and Physical Education Resource Centre, encompassing Yoga as a key component and includes a dedicated space for Yoga. Our College's Health and Physical Education Resource Centre reflects our commitment to fostering a healthy and balanced lifestyle among our pupil teachers' and student community.

With a range of modern facilities and expert guidance, we serve as a vital resource for pupil teachers and encourage them to engage in regular exercise, fitness activities, sports, and the rejuvenating practice of Yoga sessions. This dedicated space is thoughtfully designed to cater to the physical and mental fitness needs of our aspiring educators. By providing these resources, we aim to instill a holistic approach to health, recognizing the importance of physical activity and mindfulness in the demanding field of education.

- **ICT RESOURCE CENTRE**

At our college, we take pride in fostering a technologically enriched learning environment. Our ICT Resource Centre stands as a testament to our commitment to equipping future teachers with the essential skills and knowledge in information and communication technology. This dedicated center serves as a hub for creating awareness, providing students with the resources and support needed to navigate the dynamic landscape of ICT. We believe that empowering our educators with these tools ensures they are well-prepared to inspire and educate the next generation effectively.

- **MUSIC AND DANCE ROOM**

In recognizing the transformative potential of music, dance, and drama as mediums for self-expression, our college takes pride in offering a dedicated Music, Dance, and Drama Room tailored specifically for our pupil teachers. This Room stands as a testament to our commitment to fostering well-rounded and expressive educators and a holistic and expressive learning environment.

We believe that nurturing these artistic dimensions contributes not only to personal growth but also enhances the teaching journey, allowing our pupil teachers to bring innovation and dynamism to their educational practices with a medium to communicate, collaborate, and cultivate a deeper understanding of themselves and the world around them.

From the rhythmic cadence of music to the grace of dance and the captivating world of drama, this room is equipped to nurture these forms of expression and provides a platform for our pupil teachers to explore, experiment, and communicate creatively. This specialized space serves as a dynamic arena where aspiring educators can immerse themselves in the world of artistic expression.

- **VISITORS' ROOM**

We take pride in extending a warm welcome to all our guests at the college, and to enhance their experience, we provide the convenience of a dedicated Visitors Room. This well-appointed facility offers a comfortable space for meetings, discussions, and interactions. Whether it's prospective students, parents, or esteemed members of the community, the Visitors Room is designed to facilitate positive engagements.

We believe that fostering strong connections with our visitors contributes to a vibrant and inclusive community, and the availability of this room underscores our commitment to creating an inclusive and hospitable environment and effective communication within the college premises.

- **SEPARATE COMMON ROOMS FOR FEMALE AND MALE STUDENTS**

At our college, we prioritize creating inclusive and comfortable spaces for all the students, and to this end, we are pleased to offer separate Common Rooms for both boys and girls. These dedicated spaces serve as communal hubs where students can relax, engage in discussions, and build a sense of community. The Common Rooms are thoughtfully designed to provide a welcoming environment, promoting social interactions and fostering a sense of belonging. We believe that these spaces contribute to the overall well-being of our students by offering a place to unwind and connect with peers, enhancing the college experience for everyone.

- **CANTEEN FACILITY**

A vibrant and welcoming canteen facility is available in the college premises. Our college canteen serves as a social hub, providing a variety of delicious and nutritious food options for students, faculty, and staff.

- **PLAYGROUND AND SPORTS FACILITY**

Our college takes pride in providing ample space for both indoor and outdoor sports activities, ensuring a well-rounded experience for our pupil teachers. The playground serves as a dynamic arena where students can engage in various sports, promoting physical fitness, teamwork, and a healthy lifestyle. Whether it's indoor sports for strategic thinking or outdoor activities for physical endurance, our facilities are designed to cater to diverse interests. The availability of this expansive playground underscores our commitment to fostering not only academic excellence but also the holistic development of our pupil teachers, emphasizing the importance of sports and physical activities in their educational journey.

- **SWIMMING POOL FACILITY**

Our college features an indoor swimming pool facility for both students and staff, to provide the experience of the joy of aquatic recreation and fitness right on our campus. This state-of-the-art amenity is designed to offer a refreshing escape within the confines of our educational environment. The indoor pool provides a secure and controlled space for individuals to engage in swimming activities, promoting both physical well-being and relaxation. Whether it's for exercise or leisure, this facility underscores our commitment to promoting not only physical health but also offering a diverse range of amenities that contribute to enhancing the overall and a well-rounded college experience, providing a unique and accessible outlet for aquatic pursuits for our college community wellness within our educational setting.

- **INFIRMARY**

Ensuring the health and well-being of our students is paramount at our college. We have a well-equipped infirmary on campus, providing immediate first aid assistance in case of any

health-related concerns. In the event of an emergency, our protocol includes swift and efficient transportation of students to authorized and recognized hospitals. The availability of these facilities underscores our commitment to providing a safe and supportive environment, where the health and welfare of our students are of utmost importance.

- **FIRE SAFETY ARRANGEMENTS**

The safety of our students and staff is a top priority at our college, and to this end, we have implemented comprehensive fire safety arrangements to ensure a secure learning environment. We are dedicated to maintaining a proactive approach to fire safety, fostering a secure atmosphere where everyone can focus on their academic pursuits with confidence and peace of mind.

Our College campus is equipped with state-of-the-art fire detection and suppression systems, strategically placed fire extinguishers, fire alarms, sprinklers, well-defined evacuation procedures and other advanced technologies that work in tandem to ensure the safety of students, faculty and staff. Regular maintenance and testing of the fire system are integral parts of our commitment to creating a secure environment, providing peace of mind to everyone within our college community.

- **TRANSPORT FACILITY**

Situated conveniently along the main road with easy access to public transport, our College ensures that students can conveniently avail transportation services. While public transport is readily accessible, we also understand the importance of having contingency plans. In cases of emergencies or specific needs, the college provides additional transportation facilities for students, ensuring their safety and convenience. This commitment reflects our dedication to facilitating smooth and secure commuting for all students, making accessibility a priority in their educational journey.

- **SAFE AND CLEAN DRINKING WATER FACILITY**

In our commitment to fostering a healthy and conducive environment, we are pleased to provide a clean, pure, and safe drinking water facility within the college premises. Hydration is essential for optimal learning, overall health and well-being as well as academic performance. Our college is committed to meeting this need with high standards of water quality. Our facilities are equipped with reliable purification systems, access to refreshing and uncontaminated water for students, faculty and staff.

- **SEPARATE TOILET FACILITIES FOR FEMALE AND MALE STUDENTS, FACULTY AND STAFF**

Our college is dedicated to providing a comfortable and inclusive environment, and as part of this commitment, we offer separate toilet facilities for females and males among our students, faculty, and staff. This ensures privacy, convenience, and meets the diverse needs of our college community. These facilities are well-maintained, clean, and equipped with modern amenities, contributing to a positive and hygienic experience for everyone on campus. We believe that this attention to detail fosters a respectful and supportive atmosphere, promoting a sense of well-being and inclusivity within our college community.
